MEMORANDUM FOR THE HEADS OF DEPARTMENTS AND AGENCIES

FROM: Joseph R. Wright, Jr.
Deputy Director

SUBJECT: Certification of Non-Delinquency by Applicants for
Federal Financial Assistance

Each agency should take appropriate steps to ensure that those receiving Federal financial assistance are not delinquent on loans or other accounts to the Federal Government. As part of this effort, application forms for Federal financial assistance should be amended to include certification that the applicant is not in a delinquent or defaulted status to any Federal agency or program. Compliance with this directive will close an information gap and assure better pre-screening of applicants for Federal financial assistance, including direct and guaranteed loans, grants and contracts.

OMB Circular A-129, Managing Federal Credit Programs, states "Except where required by law or approved by the head of the agency, no award of Federal funds shall be made to an applicant who is delinquent on a Federal debt until the delinquent account is made current or satisfactory arrangements are made between affected agencies and the debtor." I expect this policy will be implemented on a comprehensive basis. Inserting a certification in application forms, with appropriate penalties for falsification, is one important step toward assuring compliance.

Guaranteed Loan Programs are to be included in this effort. The Office of Information and Regulatory Affairs will monitor implementation of this requirement in their forms clearance process.

Please provide your plan to implement this certification requirement to me by October 16, 1987. Thank you for your cooperation.

c. Gerald Murphy, Treasury
